

### Exhibitor Appointed Contractor Process

An Exhibitor Appointed Contractor (EAC) is a company or contractor hired by the exhibitor, who is not an employee of your company or of an official show contractor. EACs are most often independent installation & dismantle companies but also include supervisors, technicians, photographers, audiovisual, floral, furniture, flooring, and any other contractors who aren't the official of the show but provide a necessary service at show site for the Exhibitor.

JIS Fall recognizes that exhibitors may have unique needs or partnerships with vendors other than our official partners. Therefore, we support this choice as long as the EAC conforms to the show and venue Rules & Regulations and carries the required insurance coverage.

With the increasing number of EACs, have come numerous added expenses. These expenses include legal costs resulting from increased liability claims, exhibit hall damage, excess cleaning charges, extra administration costs for wristbands, contracting, insurance tracking, etc. Rather than passing on these added costs to exhibitors, we have implemented an administrative fee payable by the EAC. Each EAC hired by an Exhibitor must agree to the Rules & Regulations and will be assessed a fee. An administrative fee of \$300 per booth location the EAC represents is required. The fee applies to all contractors regardless of the service they provide (labor, supervision, products, services, etc.).

The Exhibitor is responsible for providing the EAC with any necessary information pertaining to the exhibit hall (i.e., utilities, order forms, dates, hours, shipping information etc.)

### EAC Check-In

- EACs must check-in at the EAC counter each day to receive a wristband.
- Individuals picking up wristbands must show a form of identification (ESCA badge, company badge, business card, or apparel, etc.).
- The EAC check-in location will be confirmed via email to the main point of contact for the EAC prior to the beginning of move-in.
